REAL CAPABILITY

Biological Agents

HS003

Biological Agents

[The Safety, Health and Welfare at Work \(Biological Agents\) Regulations 2013 \(SI No. 572 of 2013\)](#) set down the minimum requirements for the protection of workers from the health risks associated with biological agents in the workplace. The regulations must be applied to any activity where workers are actually or potentially exposed to biological agents as a result of their work.

This one-day course will be of interest to personnel who are involved in activities that involve occupational exposure to biological agents. It is available for In-House only.
